Landlord/Property Manager Miscellaneous Functionalities
Setting Up iManageRent Push Notifications on iPhone.

1. **1. Log in to your landlord account on your iPhone using the installed** iManageRent Web App.
2. **2. Navigate to «My Account > Notification Settings > Push Notifications».**

Alternatively, you can click on the following link:

https://imanagerent.com/dashboard/profile/notification-settings#

3. **3. On the Notification Settings page, click the blue “Subscribe” button.**
4. **4. When a window pops up, click “Allow” to enable push notifications for iManageRent.**
