

Security Deposit Accounting

What is website integration?

We bring the functionalities of our powerful end-to-end property management solution to your company website such as:

- Manage your vacancies on your site without the help of a programmer and at the same time promote your listing on Apartments.com, Zillow, LiveLovely etc...
- Request and receive "Lease Applications" including background checks from your vacancies page.
- Collect security deposit and rent from your website.

Best of all we can offer this functionalities to you for FREE, for more information click here:
